

LANGUAGE MATTERS

Ms. Jeanne Corsten from The Netherlands enriched the teachers and students of Grade 1 and 5 with her expertise in the development of the English Language skills. With a rich experience of 45 years in teaching English at the PIUS X College, she shared her resourcefulness with our teams, old and young.

CONCENTRATE ON LISTENING

DISCUSSING BOOKS IN CIRCLES

SHOW AND TELL

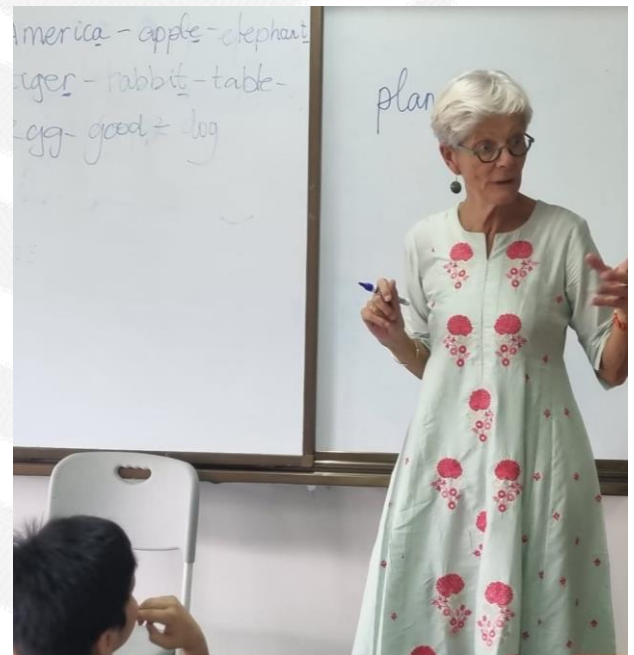

READING QUOTES IN TURNS

STORYTELLING

CREATING WORD CHAINS

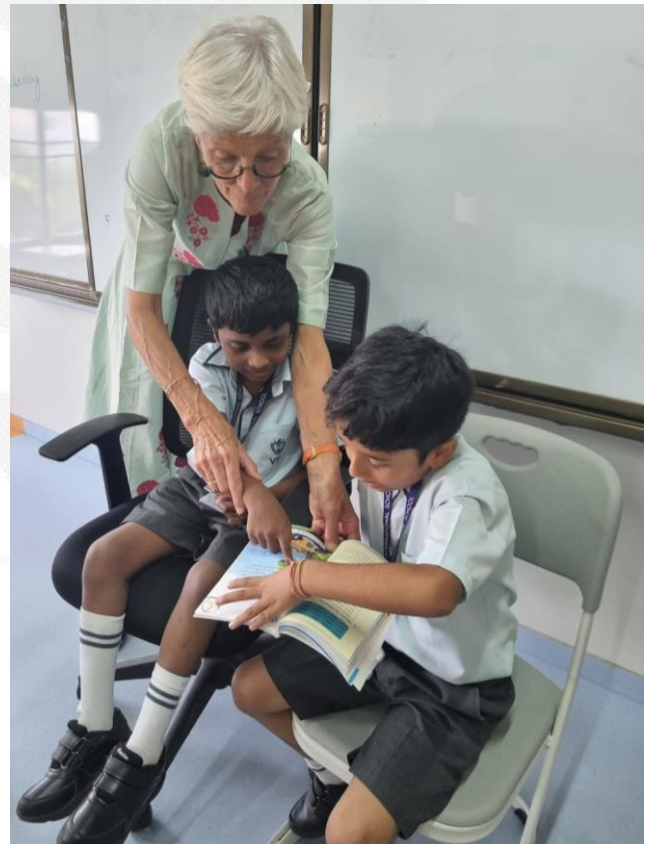

According to her, Word Chains, storytelling, Your Turn are a few of the language games which can be planned and organized very easily by the teachers to make learning active and interesting.

SHARING FAVOURITE BOOKS

“I have really enjoyed teaching at your school and I feel privileged to meet young children who show so much genuine inquisitiveness and eagerness to learn. My Special compliments are for Grade 5 for their enthusiasm and focus on trying new language activities. Thank You very much, dear students.” said Ms. Jeanne Corsten.
