

We care, We grow, We nurture - Green

We stride
together to
sow,
The beautiful
saplings all in
a row

WE
Vehemently
Act and
Nurture ---

VIS believes in fostering the young minds with the essence of valuing nature, which is bountiful. It was a riveting display, to witness the school being bedecked with beautiful saplings, sown by our young learners in the school campus.

Happy faces ready to take
the charge to be
responsible
