

From Words to Wisdom: A Journey Through Language

The students of Grade 1, embarked on a thrilling language adventure into the world of Naming Words! With bright eyes and curious minds, they discovered that every person, place, animal, and thing carries its own special name. Through lively games, colourful flashcards, and exciting hands-on activities, our young learners became keen word detectives, spotting and sorting naming words all around them. The classroom buzzed with laughter and discovery, turning this language adventure into a magical experience that sparked both confidence and a love for vocabulary.
