

Pompom Play: Sorting Fun for Little Hands

Big and
small, we
sorted with
glee,

Pompoms in
baskets, a
fun spree

Our hands
moved fast,
our eyes did
see,

Learning and
fun, a
perfect
spree!"

**Our nursery stars had a blast sorting big and small pom-poms!
This fun activity developed their problem-solving skills
and hand-eye coordination.
What a joyful learning experience!**
