

**"Beyond the Full Stop : Exploring the World of Hindi Punctuation!"**

**Our learners of Grade 6 combined their love for nature and their growing understanding of Hindi punctuation (Viram chinha) to create beautiful, short poems while immersed in the tranquillity of beauty and intricacy of the outdoors.**

This outdoor activity didn't just enhance their Hindi grammar skills. It also fostered a deeper appreciation for the natural world and encouraged attentive observation. They noticed details they might have otherwise missed, and learned to express these details in concise, grammatically correct sentences
