

The Hoopstastic Challenge

They hopped through
hoops with joy so bright,
Little feet dancing, a
playful sight.

With every jump,
they laughed and
cheered,
Brave little stars, just
as we feared!

The Sr. KG learners had an energetic and exciting time during the "Hop, Skip & Hoop!" race! This lively event saw our little champs hopping through colorful hoops with big smiles and boundless enthusiasm.

With every jump, they showcased their growing coordination, balance, and confidence. It was a joyful display of teamwork, focus, and physical development.

Truly, our tiny tots jumped their way to joy and achievement!
