

## Little Readers' Club

Tiny explorers, with  
books in their hands,  
Traveled to magical,  
faraway lands.

They learned, they  
laughed, and let their  
minds grow, As seeds of  
a lifelong love for  
reading they'll sow.

**We embarked on a magical journey! We joined "Storybook Safari"—an exciting reading activity where our little explorers delved into the wild world of books. We sang songs, played games, and discovered new sounds and letters together. It was the perfect way to spark a love for reading and make new friends along the way. We had an unforgettable adventure!**
