## **“Twirl & Shine with Dandiya Sticks!”**

**Clap and tap, the  
sticks so bright,  
Shining colors bring  
delight.  
Little hands with joy  
did play,  
Made dandiya sticks  
in a festive way!**

**Our Sr. KG learners joyfully engaged in a Dandiya stick-making activity where creativity met tradition. The little hands decorated their sticks with colorful papers, glitters, and ribbons, turning them into vibrant pieces of art.**

**The children felt proud of their creations and enjoyed learning about the festive spirit of Navratri through this fun-filled activity.**
