

GROW - GET READY FOR OPPORTUNITIES AT WORK

The power of enthusiasm, creativity and positivity in transforming teaching into a truly fulfilling journey, by Ms. Shalini Nair

Mini Investigation Projects

01 You will be divided into small groups. In your groups decide on the topic/ theme for mini investigation

02 Create a complete plan for getting the students to conduct mini investigation

03 Include the graphical representation of your visualization of the student activities for the Gallery walk

Mini Investigation

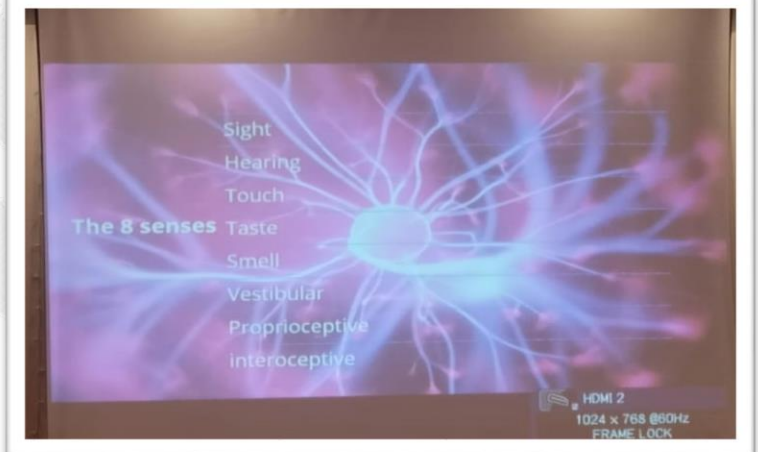

Step 2: Colour Exploration

Sort and classify objects by colour

Explore to identify and describe colours found in their environment.

Activities Conducted:
Colour walk
Classifying and sorting toys based on colours

Ms. Nair beautifully reminded educators that learning becomes impactful when joy is at its core. Her strategies aim to spark imagination, nurture confidence and inspire lifelong learning habits among students.
