Joy in the air, kites in the sky – celebrating the joy of Makar Sankranti”

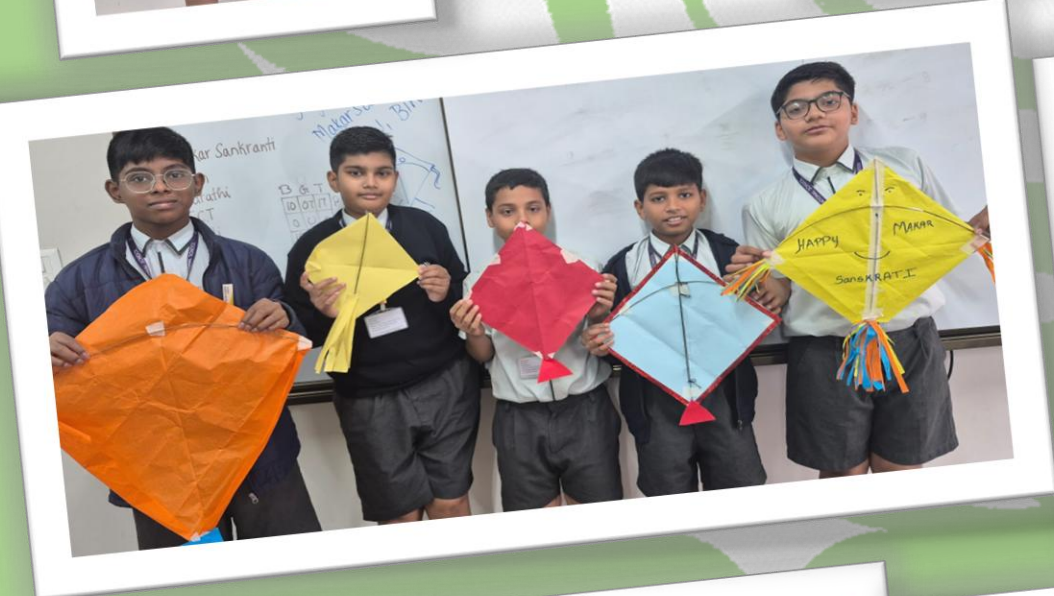

“The spirit of Makar Sankranti came alive as learners embraced tradition, culture, and festive cheer.”

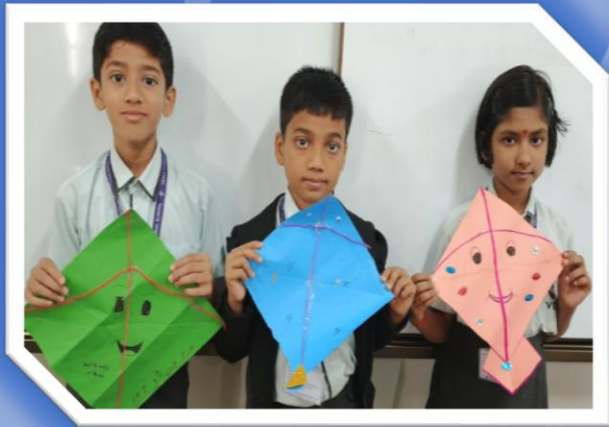

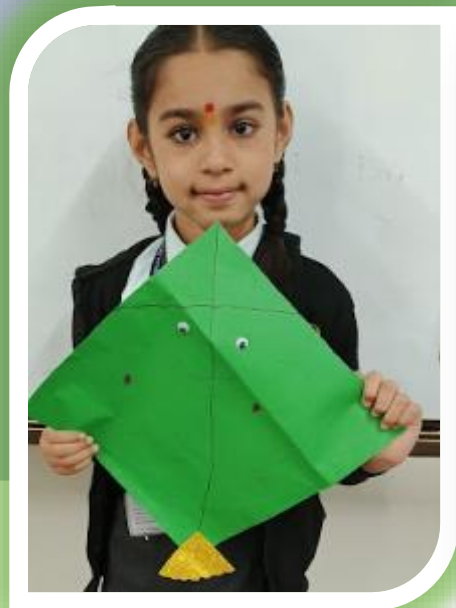

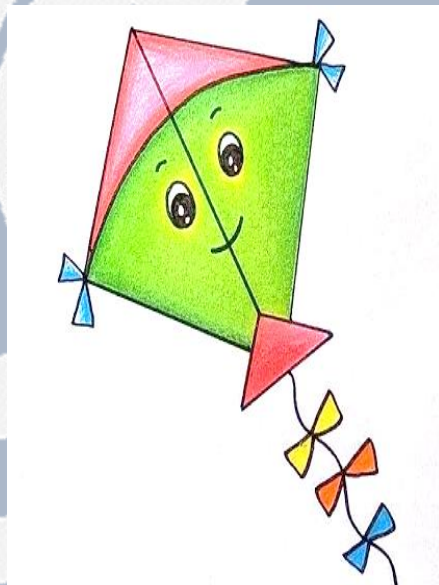

“Tradition in the
air,
gratitude in hearts,
and
smiles all around.”

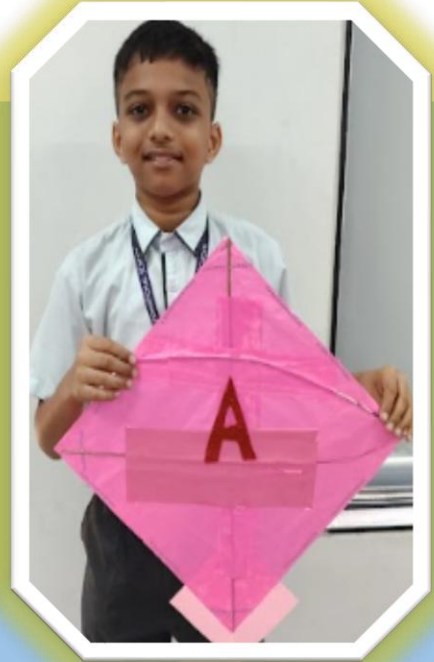

Our learners of Vihaa International School marked Makar Sankranti with cheerful participation and festive energy. Through engaging activities and hands-on creations, they explored the cultural importance of this harvest festival. The celebration filled the campus with colour and happiness, spreading a message of joy, unity, and respect for traditions. 🌿 🎈 ✨
