# Spark@Vihaa: Igniting Scientific Brilliance

The Science Exhibition at Vihaa International School was a vibrant celebration of innovation, where young scientists showcased creative models and impressive experiments.

**Dreamers today, scientists tomorrow, Turning imagination into a world without limits."**

**From battery's pulse to wheels that glide,  
Science and imagination worked side by side.  
A simple switch, a brilliant start,  
Engineering crafted with mind and heart.**
